Dear Mr. Smathers:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUEST,  
FILE NUMBER USMC-HQ 2013F120131

This is our final response to your FOIA appeal to the Department of the Navy, Office of the Judge Advocate General (OJAG). OJAG granted your appeal and remanded your request to our office for action on December 21, 2012 [OJAG File No. 2013A1100042]. We received the remand on that same day, and assigned it to the subject file number for tracking purposes.

To assist you, we initiated an additional review of the HQMC, Command, Control, Communications and Computers (C4) Division documents. One brief document was identified as being responsive to your request entitled, "Marine Corps Cyber Networks Transition and Realignment Update." This brief was used by the Marine Requirements Oversight Council (MROC) on April 7, 2011. Our review of the brief revealed that it is releasable to you in its entirety. Accordingly, we have provided a copy of that brief at the enclosure.

We have categorized you as a "commercial requester" for the purpose of assessing FOIA processing fees. As such, you are responsible for the payment of all search, review and duplication costs incurred during the processing of your request. Fees are currently assessed at \$20.00 per hour for clerical search/review, \$44.00 per hour for professional search/review, and \$.15 per page for photocopy duplication. See 32 C.F.R. § 286 Subpart F.

In view of the above, we have determined that the total cost associated with the processing of your request is \$12.92 (.04 x \$44.00 = \$1.76 for professional search + .005 x \$44.00 = \$.22 p/hr for professional review + 12 pgs x \$.15 p/p = \$1.70). Since calculated costs did not meet the minimum threshold requirement of \$25.00, there is no charge for the processing of this request.
